The Registrar of Joint Stock Companies in Mysore state, in his letter No.394 dated 8th August 1921 that there are three registered Banking Companies in the Bangalore Taluk with the average

treasure as noted against each in the margin and that the last named Company viz,General Trading and Banking Company is said to have not kept banking as a separate department as its chief business is selling cloths. He further says that its paid up capital is only Rs.13,000/- it may be neglected.

The Registrar of Co-operative Sotieties in Mysore says, vide his letter No.1354/C.S. dated 2nd September 1921 that there are 300 societies in this District of which only 18 have furnished the required information.
